HORSE SHOW RATES & SERVICES

Services at Horse Shows (additional to board at home):

Day Care /Training	\$125.00 /day
Showing	\$ 25.00 / class
Shipping – private arrangement	Rates vary with fuel prices

All horses stabled with us will split out of pocket expenses equally. This includes but is not limited to: tack & groom stalls, feed & bedding purchased at show, additional staff, hotel, travel, and per diem.

When possible, we will take grain from home. Shavings and Hay purchased at show will be added to your show account along with groom & tack stall split. Some shows will not split expenses on accounts and will need you to provide a separate check for such items. Prior to sending entries I will need a blank check payable to the show to cover your expenses, along with \$500 deposit/week to cover additional staff and expenses for the show. **Without advance deposit or other arrangement for show expenses the horse will not be loaded on the van.** We are not able to float expenses on your behalf. This will show as a credit on your next invoice with the actual charges expensed and credit or charges added accordingly. Other services that will require separate checks or advance deposits are such things as braiding, emergency shoeing or vet, etc. All efforts will be made to inform you in advance of costs. A 10% fee will be added to items that we must write a check for on your behalf.

We encourage tipping your groom! {avg is +/- \$20/day}

Show Rates for Horse/Rider not stabled in our care (entry will not be signed by us as trainer):

\$50.00 lesson or ride / schooling day or early morning

\$35.00/class schooling for show rider

\$35.00/class showing or ticketed warm-up

jump off or back to back hunter classes count as separate classes

Share of hotel for Carrie/Brownie
